## INSTRUCTIONS

(A) A separate roll is to be made of each reservation; also, of each *rancheria* or reserve, and a separate roll of Indians allotted on the public domain or homesteading. The roll is to be based on enrollment and not on residence.

(B) Persons are to be listed by families alphabetically; that is, not only by the first letter of the surname, but also by the second and subsequent letters, when the first letter or letters are the same. For example: Abalon, Abbott, Abcon, Abend, Abiet; Ball, Bell, Bill, Boll, Bull; Carley, Carmen, Carton, etc. Families having the same surname are also to be listed in this way, e. g.: Brown, Anson; Brown, Bill; Brown, Charles, Brown, David. In the case of English translations of Indian names, such as John *Flying-Elk*, Flying-Elk is the surname and is to be listed under F. In such cases the first word of the translated Indian name determines the alphabetical position.

Members of a family are to be listed in the following order: Head, first; wife, second; then children, whether sons or daughters, *in the order of their ages*; and lastly, all other relatives and persons living with the family who do not constitute another family group. Cross reference must be given for all names not listed in their proper alphabetical position.

(C) A family is composed of the following members:

1. Both parents and their unmarried children, if any, living with them; all other relatives and persons living with the family who do not constitute another family group.
2. Either parent and the unmarried children, if the other parent is dead; all other relatives and persons living with the family who do not constitute another family group.
3. A single person over 21 years of age, not living with a relative.

(D) For each person the following information is to be furnished:

1. NUMBER.—A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME.—If there are both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Ditto marks are to be used under the surname of the head for the surnames of the other members of one family.
3. SEX.—"M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY.—Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as  $\frac{3}{12}$  yr.
5. TRIBE.—Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, do not substitute the location where the Indian lives for the name of the Indian tribe.
6. DEGREE OF BLOOD.—Report exact degree of blood, as "F," for full blood,  $\frac{3}{4}$ ,  $\frac{1}{2}$ ,  $\frac{1}{8}$ , etc., as the case may be. Do not report as MIXED.
7. MARITAL STATUS.—"S," for a single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members, the appropriate term which designates the particular relationship the person bears to the head is to be used.
9. RESIDENCE.—
  - (a) At jurisdiction where enrolled:
    1. Answer "Yes" or "No" in Column 10. The term jurisdiction includes all reservations and public-domain allotments under the Agency.
    2. Enter county in Column 13.
    3. Enter State in Column 14.
  - (b) Or at another jurisdiction:
    1. Enter the name of jurisdiction in Column 11.
    2. Enter county in Column 13.
    3. Enter State in Column 14.
  - (c) Or elsewhere:
    1. Enter post office, town, or village as shown in the United States Postal Guide, in Column 12.
    2. Enter county in Column 13.
    3. Enter State in Column 14.
10. WARD.—"Yes" or "No." Wardship depends primarily upon the ownership of individual property held in trust or upon membership in a tribe living on a Federal reservation.
11. ALLOTMENT, ANNUITY, AND IDENTIFICATION NUMBERS.—"Al," for allotment; "An," for annuity; and "Id," for identification, before the appropriate number or numbers. All numbers are to be shown.

Mr. Ralph Frenenberg,  
Supt., Keshena Agency.

My dear Mr. Frenenberg:

The Act June 15, 1934 (48 Stat., 984) reads in part as follows:

"The Secretary of the Interior shall at the close of each fiscal year ascertain and fix the fair market value of the fully matured and ripened green timber on the reservation during the fiscal year ending on the last day of the preceding fiscal year and shall distribute to each member of the Menominee Tribe of Indians, living and on the tribal rolls, on the last day of said fiscal year: Provided, That said amount so distributed during any fiscal year shall not exceed the amount actually realized from timber on the reservation during said year, less the cost of administration, to be used for the purposes of the tribe, and shall be distributed to the tribal council, or to the tribal council if it is, for its advance review and approval."

Report No. 1 submitted with the balance sheet of the Menominee Indian Mills for the fiscal year ending June 30, 1938 shows the value of timber cut on the reservation during the year as \$157,54.97. On December 13, 1938 the manager of the Menominee Indian Mills advised the Office that the value of the green timber cut during the fiscal year 1938 was \$64,214.92. The Department has ascertained and fixed this amount as the value of the timber cut during the fiscal year 1938, to which the Menominee Tribe of Indians is entitled as per its storage payment in accordance with the Act of June 15, 1934. The balance sheet of the Menominee Indian Mills as of June 30, 1938 shows a net profit of \$64,763.70 for the fiscal year.

Your budget authority for the fiscal year 1939 is hereby notified to permit you to pay \$64,214.92 from the "Menominee 4% Fund" to the tribal council to each member of the Menominee Tribe of Indians, living and on the tribal rolls, on the last day of the fiscal year, to be used for the purposes of the tribe, for its advance review and approval.

The per capita payment should be used to reduce the indebtedness of those members of the tribe who have obligations to meet at the Menominee Indian Mills and at your agency.

The sum of \$50,500.00 has been withdrawn from the "Menominee 4% Fund" for the support of the Keshena Agency during the fiscal year 1939 and the Interior Appropriation Bill for 1940 authorizes \$71,500.00 of tribal funds for the expenses of the Keshena Agency during the next fiscal year. The sum of \$317,398.16 was withdrawn from the Mill fund during the three years ending June 30, 1938 to carry on the activities of the Keshena Agency and for per capita payments. On April 26, 1939 the sum of \$291,459.86 was on deposit in the United States Treasury in the "Menominee 4% Fund."

In view of the heavy withdrawals of funds for other than the operation of the Menominee Indian Mills, and in view of the comparatively small sum in the Treasury, it may be necessary to withdraw the \$71,500.00 from tribal funds from other than the Mill fund during the next fiscal year for the expenses for the Keshena Agency.

Sincerely yours,

(Sgd.) WILLIAM MITCHELL, JR.  
Assistant Commissioner

Approved: May 10, 1939

(Sgd.) STUART L. CHAPMAN  
Assistant Secretary of the Interior

I certify that the foregoing is a true and correct copy of authority on file at the Keshena Indian Agency.

Respectfully,  
March 25, 1940

ROBERT FREDENBERG,  
Superintendent.
